

THE GREINERS

Church Planters to Montana

Dear Friends,

Merry Christmas! We're excited to celebrate Thanksgiving and Christmas remembering and thanking God for all He has done! We hope each of you have special time with family and friends!

We spent most of October and November traveling to several different churches. It is always super encouraging and exciting to meet Christians who are striving together for the same cause. After over 8,000 miles, we are excited to be home for the holidays!

We are excited as we get closer and closer to our start up date, April 6th! It has been neat to see God continue to provide for each step of the way. Bible tracts provided us with 10,000 tracts this month! Baptist Church Planting Ministry is also providing several thousand John and Romans for our upcoming canvassing.

Several of you have asked about some of our needs for the building and opening Sunday. We've attached a list of many of those items. If you have any questions about any of it, feel free to reach out! A few of you have asked about helping to distribute the John and Romans packets. We would love to get dates set up for those who are interested.

Thank you to everyone who prayed for our safety and good health while traveling. God answered your prayers! Please pray that God will continue to provide and lead as we prepare for the busy days ahead. We have a lot of important foundational projects to accomplish over these next couple months.

We are thankful for each one of you who have partnered with us in prayer and finances. Thank you for your faithfulness as we look forward to what God has for the future!

Yours in Christ,

Caleb & Alyssa Greiner
